

Opening on MWSD Board of Directors April 2008

A member of the Board of Directors of the Mountain Water and Sanitation District is moving out-of-state, and there is a vacancy for a Director position. We are soliciting candidates for an appointment to this post, which will be up for election in May 2010.

Mountain Water and Sanitation District is a Colorado special district, governed by the laws of the state of Colorado. The Board is responsible for the oversight of the District, setting policies and procedures, long- and short-term planning, budgeting, dealing with other governmental agencies and managing staff. More information about the District is available on our Web site, www.mtwaterandsan.com

Requirements for the position of Director include:

- Resident of Kings Valley Custom Resort
- Attendance at two Board meetings each month, held the first and third Tuesdays at 7 p.m. at the District office
- Attendance at special meetings as required
- Attendance at an annual budget retreat in September
- Keeping up-to-date on all issues regarding the District, including governmental regulations, property developments, budget and staffing

Preferred qualifications:

- Knowledge or interest in water/wastewater issues
- Financial background
- Knowledge/interest in governmental relations

If you are interested in this position, please attend the May 6 or May 20 Board meeting to introduce yourself and get more information. If you have questions, feel free to call the Board Secretary, Marilyn Saltzman, 303-838-6520.
